Program Overview

City Life is a youth outreach ministry serving in seven under-resourced neighborhoods in Indianapolis. Our mission is to help young people develop a way of living taught by Jesus Christ: balancing the physical, emotional, mental, and spiritual aspects of life. We build valued relationships that are sustained through ongoing involvement and wrap-around care for students in their neighborhoods. We support the family unit and partner with other agencies and other YFC ministries to provide youth a pathway to success.
